

Master Builders Association of Tasmania Corporate Health Plan

St.LukesHealth is proud to be a preferred provider of private health insurance for the Master Builders Association of Tasmania members and employees.

St.LukesHealth has been providing private health cover to Australians since 1952, and over this time, St.LukesHealth has built a strong reputation on its expertise and ability to provide top quality health cover and exceptional service to its members.

Benefits to Members and Employees of the Master Builders Association of Tasmania

- **3% discount** on private health insurance premiums paid either monthly or quarterly through direct debit from your MyState Financial account;
- **5% discount** on private health insurance premiums payable through direct debit for a selected range of products if you have your superannuation with Tasplan;
- **3.85% discount** on private health insurance premiums paid six or twelve months in advance;
- Extras cover for as little as **\$2.10 per week single**;
- No excess applies on same day hospitalisations for adults or children on our stand alone hospital products;
- Dependant children are covered until they turn 23 years of age and student dependants are covered until they turn 25 years of age;
- St.LukesHealth is contracted with every Private Hospital in Tasmania and has a comprehensive list of contracted Private Hospitals in all other States and Territories;
- St.LukesHealth has Business Development Officers in the North, North West and Southern areas of Tasmania who can visit Master Builders Association members and employees at a time and place convenient to them;
- St.LukesHealth cover is Australia wide and our premiums are the same in each State therefore the premium won't change just because the members address does;
- St.LukesHealth does not have a call centre, instead you speak directly to a friendly customer service officer.

If you have any questions regarding the Plan you can contact your local business development officer or a St.LukesHealth Office.
